

# 2026 WI CITY HOOPS BASKETBALL CLUB

WI City Hoops is a comprehensive and competitive basketball program offering multiple hours of instruction each week. We provide **full-time** basketball teams as well as skill development clinics for **boys and girls ages 8–17**.

Most teams compete in Wisconsin and Minnesota regional tournaments, while our high-school Level One teams also participate in national-level tournaments.

Our passionate and energetic coaching staff brings experience from both successful coaching careers and high-level playing backgrounds. We schedule multiple practice and training opportunities each week so families can choose options that best fit their schedules.

## CITY HOOPS PROGRAMS & OPPORTUNITIES

WI City Hoops offers several program options designed to support players at different ages and skill levels:

### ✓ Full-Time Competitive Teams (Boys & Girls | Grades 3-12)

Tryouts are required for Level One teams. Players are expected to attend tryouts, though game film may be submitted for review if attendance is not possible. **Full-time players typically participate in 4–6 tournaments per season.**

### ✓ Weekly Skill Development Clinics

Skill-focused training sessions with no tournament commitment. Open to boys and girls looking to improve fundamentals, confidence, and overall game development.

### ✓ 2nd-3rd Grade Spring Program (May-June 2026)

A short-season developmental program with no tournaments. This is a **new program launching Spring 2026**.

### ✓ K-3rd "Start Here" Program

An introductory program featuring in-house practices and play only, with no tournaments. Designed to help younger athletes learn the game in a fun, structured environment.

### ✓ Tryouts

Tryouts will take place in February and March. Specific dates are TBA.
